# Thinking about parks and playing fields?

- Concerned about delivery time ?
- Worried about budget overruns ?
- Wanting predictable quality ?

***Factory built amenities buildings can be:***

- “risk free”
- on time
- on budget
- consistent quality

# Global examples

- Willand FC Football League
- 2x change rooms & facilities for match officials

- Portable clubhouse with change rooms & showers

# It's like buying a vehicle

This is the same delivery model that ParkSheds is making available to you. The beauty of this more modern “buy off the shelf” service includes :

- you know what you are getting
- reliable, consistent quality
- we build it on our premises, avoiding messy building sites & risks on your parks
- you lay the services and put in the piers or pad, ramps as needed
- we advise you when it is ready for you to collect it and for you to inspect it
- you pay for it after it is ready and you have inspected it
- we deliver it to your site, connect the services, you add signage or other items
- it is much much quicker than the traditional design then build-on-site approach
- you still retain the control over the outside look and feel and the options

D PLAYING FIELD AMENITIES BASIC MODULE

D PLAYING FIELD AMENITIES MODULE OPTION 1 SAMPLE

PARK AND PLAYING FIELD AMENITIES MODULE OPTION 2 SAMPLE
